THE BUSINESS OF PLAY

I Can Do That! Games

Seattle-based I Can Do That! Games is going bananas with three Curious George-licensed titles. The Curious George Discovery Beach Game offers a seashore scavenger hunt adventure in five secret beach locations for ages 3 to 8. A new twist on a classic game, the Curious George Hide and Seek Zoo Game, lets players ages 4 to 8 don zany zoo masks, work a walkie-talkie for special zookeeper announcements and get on their feet to help find missing zoo animals. And for the child who always likes to offer a helping hand comes the Curious George Super Helper Game, which encourages kids ages 3 to 8 to determine who needs their assistance by making the right match.
